Personal

Dear Allen:

Enclosed is some material sent me by Donald Day of Helsinki. He is a newspaperman that has done some writing for the Oakland Tribune.

Mr. Day was the first one to call my attention to the Khrushchev speech of September 30 in Peiping and sent me the complete Russian text of the same. I had it translated by the Library of Congress and also secured some additional copies, one of which I believe I sent you. I thought you might find the enclosed articles of special interest in view of the developments in that part of the world.

With best personal regards, I remain

Sincerely yours,

William F. Knowland
